Arcadia awakens (eBook, 2012) [WorldCat.org]

Arcadia Awakens is definitely not a fast-paced book. Kai Meyer gives the reader a big change to familiarize themselves with the setting and the mafia business. This is nice, but at times it seems like the story is slugging forward without much direction. But, like I said, the second half of the book is well worth the wait.

Arcadia Awakens by Kai Meyer - Bookchor

Arcadia Awakens was a little slow in some places, and for some may have been a little too heavy on information about the mafia at times but I was very impressed and I will definitely be reading the rest of the trilogy as I am sure that the story can only get better.
