Roger Scruton has written a fascinating and thought-provoking

Read Book Beauty Roger Scruton

introduction to the philosophical musings surrounding beauty in this book. Rather than attempting to to exactly define what beauty is he takes a different route, striving to help the reader work through how beauty relates to man and what the significance of that relationship is.

Amazon.com: Beauty: A Very Short Introduction ...

I'm Roger Scruton, philosopher and writer. My trade is to ask questions. During the last few years I have been asking questions about beauty. Beauty has been central to our civilisation for over 2000 years. From its beginnings in ancient Greece philosophy has reflected on the place of beauty in art, poetry, music, architecture and everyday life.
