Civilian Oversight Of Policing

The field of oversight of law enforcement has grown significantly in the last few years. With it, the needs of practitioners and communities looking to establish civilian oversight have also grown; the current national outcry for police reform has accelerated that growth rapidly. NACOLE is working hard to meet the demand but money is often a limiting factor.

National Association for Civilian Oversight of Law Enforcement

addressed in a transparent and fair way is also important argument for oversight. Civilian oversight of policing can also be seen as consistent with democracy, particularly given the significant power the police hold over citizens. Most civilian oversight mechanisms have been concerned with complaints against the police.

CIVILIAN OVERSIGHT OF POLICING

A civilian police oversight agency, also known as citizen review board or civilian review board, is a body of civilians dedicated to reviewing and improving police officer conduct. These agencies are an implementation of citizen oversight. This form of police accountability often gives the broader non-police community a medium to voice concerns and provide criticism of law enforcement operations.
