Apparently, the IR mapping for these buttons is not the same as for the Dish RF remote that goes with the receiver. It's not the end of the world since you can use the Red buttons to jump to the first menu then cursor over to the menu you want but it's slower than having 4 buttons, one for each color.

DISH Network may be controlled using infrared (IR) signals that are sent directly from your Harmony remote. Harmony Express remotes connect to Hopper and Joey receivers through your Wi-Fi network; therefore, there's no need to place Harmony blaster near your Hopper or Joey setup, please ensure DISH Network is connected to the same Wi-Fi network as your Harmony blaster.
