GE Profile Arctica Refrigerator Problems - YouTube

In the first two years I had some little issues with my GE refrigerator but now its a problem all the time.. The ice machine won't make any ice; The temperature won't stay constant and even though it is set on the lowest setting -- it freezes everything in the refrigerator; The water lines for some reason don't work. I have tried to call GE -- what a joke!! All I get is a recording that just ...
