Guide to Analysis (Mathematical Guides): Hart, Mary ...

Mary Hart, David Towers (Editor) 4.25 · Rating details · 12 ratings · 1 review. This text provides a rigorous introduction to analysis, which takes into account the difficulties students often face when making the transition from A-Level mathematics to this higher level. Plenty of examples are provided, some of which have full, detailed solutions, and others which encourage the student to discover and investigate the ideas themselves.

Guide to Analysis by Mary Hart

Introduction. Guide to Analysis aims to minimise the difficulties which arise from the contrast between analysis and sixth form mathematics. It includes historical notes and anecdotes which will help the reader to appreciate how the subject developed to its present form. Plenty of worked and unworked examples, the latter with hints for solution and answers, are also included.
