156 (Geology Office, 463-5564). The secretary is available from 9:00 a.m. to 2:00 p.m. to answer questions and schedule appointments but the department facilities are available all day long. Free tutoring is available throughout the semester and lab materials (mineral and

Physical Geology Laboratory Manual

The laboratory manual is divided into logical sections that connect to how a traditional introductory-level geology course/textbook would be structured (one chapter on minerals, one on igneous rocks, one on sedimentary rocks, etc.). There are headings in each section for the practice questions and the actual, graded questions.
