to the simpler brick-building properties of normal Lego.. The concept was introduced as the Expert Builder series and originally Technical Sets in 1977, and was renamed Technic in 1982.

Lego Technic - Wikipedia

Technic pieces can be integrated with standard Lego but are so diverse that

Read Free Lego Technic Motor

they're a whole range of building pieces in their own right. Technic tends to be for older children and adults and is better suited for making complex engineering models. Technic pieces can easily be integrated with Lego motors or Lego Mindstorms to create your own powered vehicles or working robots.
