Lewis Mumford KBE was an American historian, sociologist, philosopher of technology, and literary critic. Particularly noted for his study of cities and urban architecture, he had a broad career as a writer. Mumford made signal contributions to social philosophy, American literary and cultural history and the history of technology. Mumford was influenced by the work of Scottish theorist Sir Patrick Geddes and worked closely with his associate the British sociologist Victor Branford. Mumford was

Donald Miller has written an exceptionally engaging and perceptive biography of Lewis Mumford, one of America's most capacious and fertile thinkers, exploring not only his exceptional career but the untidy and sometimes titillating aspects of his personal life. Mumford's obsessive need for women is examined with depth and honesty without sinking into tawdry tabloidism. It is a long book but moves along at the pace of a well written novel. The pity is that Mumford's warnings for America's future ...
