a mandala is... A written mandala is made up of a number of concentric circles, inside which bright, positive, meaningful words are written. As we write words of love, gratitude, peace, and harmony, the power of those words is poured into the mandala. The process of writing the words heals and revitalizes us. When

### mandalas - Byakko Shinko Kai

The poem's mandala consists of three concentric circles of approx 2", 8 " and 14 inches. I have included 2 crudely drawn hand drawings to roughly display the layout. The first file of the inner mandala shows the inner mandala of a central figure (Tibetan letter) surrounded by the verses of the poem.

Religious meaning. In Hinduism, a basic mandala, also called a yantra, takes the form of a square with four gates containing a circle with a center point. Each gate is in the general shape of a T. Mandalas often have radial balance. A yantra is similar to a mandala, usually smaller and using a more limited colour palette. It may be a two- or three-dimensional geometric composition used in ...
