The Best 991-Gen Porsche 911s I've Ever Driven

The main appeal of a manual transmission car is the level of

engagement it offers the driver. As great as modern dual-clutch automatics are, they cannot match the feel and involvement of a true manual. However, in the new Porsche 911, there is another, more superficial, reason to choose the manual over the automatic. The manual just looks better.

New Porsche 911 Carrera S manual 2020 review | Auto Express

The styling may be traditional 911 but this version of Porsche's iconic sports car - designated as the 991 - is a big step forward. There're a few fairly obvious changes from the previous generation model, the roofline is lower and the tail lights are smaller, but the meat of the changes are under the skin.
