LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Salvatore International Economics 10th Edition

Back in its tenth edition, Dominick Salvatore's International Economics presents a comprehensive, up-to-date, and clear exposition of the theory and principles of international economics that are essential for understanding, evaluating, and suggesting solutions to the important international economic problems and issues facing the United States and the world in this age of globalization. Neither overly complex nor too simplistic, it helps students see the immediate relevance and importance ...
