Section 15-1 The Puzzle of Life's Diversity (pases 1,6s-372)

You can focus on the most important points in a section by turning the headings into questions and then trying to find the answers as you read. For each heading in Section 15-1, first write the heading as a how, what, or why question. Then, find and write the answer to your question. Do your work on a separate sheet of paper.

Chapter 15 Darwin's Theory of Evolution Section 15-1 The ...

Section 1 Puzzle 15. Our clues on this level are three orange arrows pointing to the left. Under those are 5 letters: VKLIW. This puzzle is solved using a simple letter shift cipher. Each letter represents the letter 3 spaces to the left in the standard alphabet. V = S, K = H, L = I, I = F, W = T. So VKLIW = SHIFT. Tap the text input field
