Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Birds Of Pandemonium Michele

Pandemonium, the home and bird sanctuary that Raffin shares with some of the world's most remarkable birds, is a conservation organization dedicated to saving and breeding birds at the edge of extinction, with the goal of eventually releasing them into the wild. In *The Birds of Pandemonium*, she lets us into her world--and theirs. Birds fall in love, mourn,
