The teacher was very nice and always praised us and encouraged us to pay more effort in studying English. I began to think that I was a genius at that time as I was easily mastering the language.

However, when I became standard six students, I became very playful and not interested in studies including attending for

Biography is considered here as distinct from autobiography. The Biography Studies series will not be a solely historical series, nor a series for literary theory, nor for Life Writing, but a series for biography studies: genuinely inter- and multidisciplinary, providing the subject of biography its own deserved space.
